The diagram illustrates a garden layout with several distinct areas and features, each represented by a specific icon and a corresponding label:

- ACERADO**: Represented by a grid of small squares, indicating a paved area.
- VIAL**: Represented by a dark gray rectangle with a diagonal line, indicating a road or path.
- FIRME DE HORMIGON**: Represented by a light gray rectangle, indicating a concrete slab.
- GRAVILLA**: Represented by a yellow rectangle, indicating a gravel area.
- SETO PERIMETRAL**: Represented by a green chain-link fence icon, indicating a perimeter fence.
- CERRAMIENTO**: Represented by a solid yellow line, indicating a wall or barrier.
- ARBUSTIVAS**: Represented by a green bush icon, indicating shrubs.
